

## Footprints News

### **Growing the Footprints Family!**

We are excited to inform you that due to the rapid growth and popularity of our Footprints before/after and holiday care we are expanding our team.

Miss Maddock is busy preparing for the next stage in her career as she has been successful in securing a position on the School Direct Teaching programme. We are certain that you will join us in wishing her well as she continues her learning journey.

We have welcomed, Mrs Wagstaff and Mrs Rockey to the team and Mrs Boulton and Miss Carney will be part of our holiday care. All of the ladies are already valued members of our Park Hall family and are therefore already familiar faces to our children.

### **Holiday Provision**

Thank you to everyone who has booked on to our exciting “Walk on The Wildside” themed holiday activities. Once again, these have proved to be very popular and have been based upon the children’s interests. It has been a privilege to share our holidays with your little ones and see the smiles on their faces as they have enjoyed fantastic experiences such as pony riding, meeting and feeding “furry friends” and choreographing amazing dance routines. We are really looking forward to May Half Term! We are also thinking ahead to the long summer holidays. If you have any suggestions of places your child would like to visit during the holidays, please let us know.

### **Footprints Family Fun**

Children who attend Footprints will be busy becoming entrepreneurs, making sweet jars labelled “How Sweet It Is To Be Loved By You” (filled with love hearts and plenty of love) and red/white and blue apples to raise funds for the Family Fun Day. If you would like to purchase your child’s sweet jars, or decorated apples please ensure that you let a member of the Footprints Team know. Sweet Jars will cost £1.50 and apples £1.

There will be an opportunity for the children attending Footprints to visit the Fayre after school as there will be different stalls and activities than those accessible during the school day. Please ensure that any money you may wish them to spend is put in a clearly labelled envelope with your child’s name and class.

### **Bookings Reminders**

All bookings for Footprints provision should be made in advance and paid for in advance on Parent Pay. Please ensure that you adhere to deadline dates when you require holiday provision. It is essential that we are able to plan our holiday provision well in advance in order to complete our risk assessments and ensure that we provide the highest quality of care.
