Email: parkhall@parkhallprimary.org.uk

Principal: Mrs G. Frost

Continuing The Learning Journey Together

Remote Learning Responsible Usage Agreement – Years 1 - 6

You will have received the remote responsible usage agreement by email. This document sets out our expectations for pupils responsible use of technologies at home. This agreement will be used to ensure that all of our Park Hall pupils demonstrate the expectations and values that are expected of a Park Hall pupil and provides safeguarding for all members of the Park Hall family. Please share the agreement with your child to ensure that they understand the expectations, these will also be shared with children during live sessions with their teachers.

Please follow the link below to take you to the Forms document. Complete one form to show that you have discussed the expectations within the agreement with your child. If you have more than one child in year 1 – year 6, please add all your child's name and teachers on the one form for ease.
